

SKINS

"SKIN TO WIN."

Beauty isn't only skin deep, but flavor might be. We know that 85% of the flavor you get from a wine comes from the outside 15% of the grape — that's why we select, grow and harvest grapes based on the quality of their skins. For this wine, we chose white grapes from a mix of vineyards, destemmed and fermented on the skins. The result? A beautiful showcase of all the delicate flavors of white wine, but with more substance and texture.
